

## FINANCIAL ASSISTANCE REQUEST

The School of Plant Sciences has limited funds available for students who are in financial need. Requests are considered on a first-come-first-serve basis and seek to assist in the following areas: students completing their degree with no funding and students in financial stress. If you are seeking financial assistance, please complete and submit this form to Georgina Lambert at [glambert@email.arizona.edu](mailto:glambert@email.arizona.edu). Funds are issued as Graduate College Fellowship (GCF), and will only disburse to students who demonstrate financial need (FAFSA or International EFC on file with the Office of Scholarships and Financial Aid). The award will be paid through the UA Bursar's Office. Please submit questions to Georgina at the address above.
