

2021 Spring Virtual

Postdoctoral Recruitment Event

The Office of Postdoctoral Research at The Ohio State University College of Medicine is excited to announce a virtual 2021 Spring Postdoctoral Recruitment Event on **April 26**. Interviews will take place April 27-30.

This event will provide an excellent opportunity for outstanding PhD students from leading graduate programs to virtually meet our research faculty, interview for open postdoctoral positions, and discover the exciting and innovative research taking place at The Ohio State University, The Ohio State University Wexner Medical Center, and the Research Institute at Nationwide Children's Hospital.

HIGHLIGHTS:

- Virtual opportunities to learn about the Ohio State University Campus and learn about what Columbus has to offer
- Network with current postdocs from Ohio State and Nationwide Children's Hospital (NCH)
- Present your research
- Interview with prospective mentors to discuss postdoc research opportunities at Ohio State and NCH

Application for this event is open to current postdocs or senior graduate students who have completed or expect to complete their PhD by August 2021. Any candidate in the US (visa status does not matter) can apply. We are especially interested in reviewing applications from permanent residents and US Citizens who are training grant eligible. Individuals from groups underrepresented in the biomedical workforce are strongly encouraged to apply, including applicants from racial and ethnic groups shown to be underrepresented nationally and individuals with disabilities.

For complete details and application instructions, please visit go.osu.edu/postdocrecruit.

Applications are due March 30
