

USDA Career Workshop

Learn about the Natural Resources Career Development Program (NRCDP)

Thursday, November 9th

5:30pm, Virtual

Zoom ID: 8205-731-1779

USDA focuses on providing support to landowners backed by **science and research**. NRCS helps American farmers, ranchers and forest landowners make **conservation** work for them.

- Become aware of various career opportunities within your field
- Learn about NRCDP and NRCS - Pathways Program
- Learn how to apply for government positions
- Receive help on your resume directly from agency personnel!
- **Gain a competitive edge!**
