Sharing Plant Production Knowledge Globally

## Bruce Briggs Memorial Scholarship

The International Plant Propagators' Society Western Region awards the Bruce Briggs Memorial Scholarship to deserving students in horticulture educational programs. The late Bruce Briggs was a proud and active member of the Western Region of IPPS. He enjoyed students and promoted IPPS worldwide.

This scholarship is given each year to college and/or university students who are studying plant propagation and demonstrate a strong interest in pursuing propagation as a career. The scholarship pays for students to attend the annual IPPS meeting held in the Western Region. Both the registration fee (includes most meals) and accommodations (shared) are covered by the scholarship. Travel costs are the responsibility of the scholarship recipient. The meeting will be held at the Holiday Inn in Wilsonville, Oregon from January 24-28th, 2023.

Applications for the Scholarship are available on our website: [www.wna.ipps.org](http://www.wna.ipps.org).
