

# Certified Landscape Professional Training Series

SmartScape is a landscape water conservation and education program offered through Pima County Cooperative Extension for the Tucson Active Management Area.

The Certification series is presented twice per year to **Landscape Professionals** and allied **Green Industry** personnel, including: Landscape Installation & Maintenance, Irrigation, Pest & Weed Control, Designers/Architects, Nursery, HOA's, Property Managers, Schools, Parks, Multi-Family, Commercial, and Municipal.

This **FREE** professional training program consists of nine 2.5 hour lectures presented by University of Arizona faculty and local business leaders. The certification series provides informative, research-based instruction with classes designed to promote best landscape management practices for the urban Sonoran Desert landscape.

**Registration is required.**

**Pima County**

THE UNIVERSITY OF ARIZONA • COLLEGE OF AGRICULTURE AND LIFE SCIENCES
