

## CEAC Special Seminar

*On Friday, March 4, 2011, Cliff Davis from Eurofresh Farms, will be at the CEAC from 4:00 PM – 5:00 PM to discuss career and internship opportunities for University of Arizona students.*

*Eurofresh Farms is America's largest greenhouse operation spanning 318 acres of facilities growing hydroponic tomatoes and cucumbers in many varieties. We're experts at growing greenhouse produce at a premium quality and certified pesticide residue free. Since 1997, we've been honored with the ChefsBest® Award for Best Taste for the Highest Quality Tomatoes on the Vine.*
