Agronomy Internship

Do I need to buy my own airline ticket?

Yes, your transportation to Arizona and back home at the end of the program is your financial responsibility.

Will I be able to take time off?

Because the program is for a short period of time we would ask that you make your vacation plans either before or after the internship.

Do I qualify for company-provided health insurance and/or holiday pay?

This program does not offer health insurance or holiday pay.

Can interns get hired after their internship?

Yes, if they qualify and are a good fit to Desert Mountain and a position is available.

Will someone be picking me up from the airport?

You will be responsible to get to the apartments via shuttle or taxi, approx cost \$30-\$40

Do you drug test?

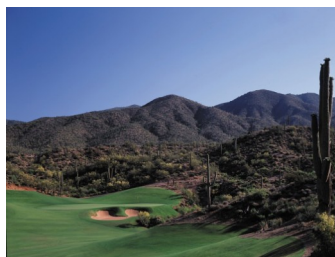

Yes, . If you do not pass the drug test we will not be able to continue with the hiring process.

Do you run a criminal background?

Yes, we will submit a criminal background check. If you have anything that may come up on your background we will need to know prior to your arrival to determine if we will proceed with the employment process. If you fail to let us know prior to your arrival and your background has a hit we will not be able to continue with the hiring process depending on the results.

The Desert Mountain Club is the only private club in the country that offers six Jack Nicklaus Signature courses. The six 18-hole golf courses provide a wide and varied range of golf experiences for Desert Mountain property owners who are members of The Desert Mountain Club.

The golf courses at Desert Mountain are maintained by a state-of-the-art computerized irrigation system that is weather-controlled. During the rainy season, less irrigation is necessary than in the dry months. Desert Mountain has further demonstrated its commitment to the environment by helping the city of Scottsdale plan and fund a \$14 million Reclaimed Water Distribution System (RWDS), capable of replacing Desert Mountain's use of groundwater for routine irrigation purposes. The system utilizes Central Arizona Project (CAP) water.
