AZAEP FUTURE ENVIRONMENTAL PROFESSIONAL 2013 SCHOLARSHIP APPLICATION

The Arizona Association of Environmental Professionals (AZAEP) seeks outstanding students for the Future Environmental Professionals Scholarship. **Each scholarship will carry an award of \$1,000.00, plus a one year student membership in AZAEP and National Association of Environmental Professionals.** The objective of the scholarship is to assist undergraduate and graduate students enrolled full-time in a degree program at an accredited Arizona college or university in preparation for a career as an environmental professional. Community colleges are included and the degree may be a two year terminal degree as well as a transfer program. **Students must be enrolled full-time as stipulated by their program requirements.** Students graduating in the Spring or Summer 2014 are not eligible.

Scholarship recipients will be expected to make a short presentation at an AZAEP monthly meeting during the 2013-2014 school year. The scholarship funds will be distributed to the selected students after the first week of the spring semester.

Evaluation of the application will be based on the following application materials:

- (1) **Personal statement** addressing educational and career goals, and how the scholarship will be used;
- (2) **Achievements**, including clubs, organizations, and community service activities;
- (3) Coursework and official **transcripts**; and
- (4) Two **letters of recommendation**.

Note that it is the responsibility of the applicant to ensure that all materials are received by the deadline. Applicants are encouraged to mail materials other than official transcripts in one package. Incomplete applications will not be reviewed. Application materials (official transcripts, written statement, letters of recommendation, and application form) should be sent to:
