# STUDENT SUMMIT

## Theme: Effective Student Led Programming

With the help of the University of Arizona Eco Reps Program, the Arizona Higher Education Sustainability Conference is happy to announce the AHESC Student Summit. Included in the Summit will be a workshop focusing on developing student led and managed programming that builds lasting relationships and institutional support on campus. Additionally, attendees will have creative opportunities to network with their counterparts from other campuses across the state through team building exercises and artistic projects.

### Workshop Facilitator

Natalie Lucas, University of Arizona Graduate Research Assistant & Sierra Student Coalition Leader
