

# Plant Something Today!

Join the UA Community Garden Leaders to plant a hedgerow around the garden.. Please support our efforts today!

**What: Planting Party**

**When: Thursday, April 24<sup>th</sup>, 5:00pm-7:00pm**

**Where: Corner of Highland and Mabel**

**Why:** Installation of a hedgerow is an important step for the garden to achieve long-term sustainability. A hedgerow is made up of flowering shrubs and other perennials which not only provide habitat, and attract pollinators, but also provide edible produce, improve curb appeal for our community neighbors, and enhance support from the UA community.

**Come prepared to dig with closed toed shoes, sun protection and water.**
