COLLEGE OF AGRICULTURE AND LIFE SCIENCES

HONORS ASSEMBLY

BS ENVIRONMENTAL SCIENCE &
BS SUSTAINABLE PLANT SYSTEMS

Saguaro Hall Courtyard

Thursday, October 2, 2014

11:30am—1:00 pm

Honors students will have the opportunity to interact with research faculty and faculty advisors with the goal of identifying a faculty mentor for your undergraduate career and Honors Thesis. Monthly follow-up small group meetings will be scheduled in October, November, February, March and April to assist you with selecting a faculty mentor and becoming involved with research.

Light Refreshments Served—RSVP requested
