

BECOME AN ARIZONA AMBASSADOR!

Do you remember your campus tour?

Have you seen those crazy, fun, and energetic students walking backwards, singing at Bear Down Gym, and leading groups all over campus?

Celebrating its 35th anniversary, the Arizona Ambassadors are making a difference in the lives of prospective Wildcats by making their choice a whole lot easier.

We do this by showing them that the University of Arizona is a renowned institution that aims to discover, educate, serve, and inspire, and has a major, club, and a place for everyone.

How will you make a difference?
