

# Help Plant Water Harvesting Basins

*Friday, May 6<sup>th</sup>, 9 – noon at Old Main*

This Friday morning from 9:00 a.m. to noon there will be a planting session at Old Main. The plants were donated by Mountain States Wholesale Nursery and are being planted to enhance recent UA class work done on passive water harvesting basins at Old Main.

If interested, please join the effort Friday morning at the Southwest corner of Old Main. **This will be a great way to get some exercise and relieve finals-week stress!**

*If interested, please contact:*
