The table is set for change.

You have a chance to join the brightest young leaders and hungriest minds from around the world at the 2017 Youth Ag-Summit.

Simply by writing an essay you could gain an all-expenses-paid place at the Summit, where you'll collaborate, debate, plan and act on sustainable solutions to our greatest agricultural challenge: Feeding a Hungry Planet.

Help dig up the answers. The 2017 Summit application phase and essay competition is now open.
