

**TUCSON COYOTES. PHOTO BY CECIL R. SCHWALBE**

**FALL 2017**

**Science  
Journalism  
JOUR 472/572**

**Includes a field trip!**

**OPEN TO  
UNDERGRADUATE &  
GRADUATE STUDENTS  
IN ALL MAJORS**

- Work with Professor Carol Schwalbe, a former National Geographic editor, and Dr. Cecil Schwalbe, a research ecologist.
- Learn how to communicate with the public about science, technology, nature, the environment, medicine and health.
- Go on a field trip. Interview researchers and observe science in action.
- Gain career skills that will give you a competitive edge. Learn how to pitch a story to a newspaper or magazine.
- Write science stories. Shoot photos. Create a simple infographic.

**No prerequisites**

**3 credits**

**Mondays and Wednesdays 3–4:30 p.m.**

**Questions? Carol Schwalbe**
