Dear Counselor:

The Calcot-Seitz Foundation will once again make scholarships available to students who major in agriculture at a four-year school that offers a degree in agriculture.

As in previous years, scholarships will be up to \$3,000 each and are payable over a one to three-year period. Scholarship forms and requirements for applying can be found on Calcot's web site at www.calcot.com

The deadline for submitting applications is March 31, 2017.

If you have any questions, please give me a call at Calcot's Bakersfield office: 661.395.6874.

Sincerely,

Marci S. Cunningham
