

## Michael Bonine Memorial Travel & Research Award: Graduate Student Applications

### GRADUATE STUDENT APPLICATION PROCEDURE:

**BY MONDAY, FEBRUARY 26** submit electronically via Scholarship Universe (<https://scholarshipuniverse.arizona.edu/susa/Default.aspx>)

- A personal statement that explains how the award will be important to your research or education. What difference will the award make to your proposed research plans? If financial hardship is part of your justification, please explain (one page)
- A resume or curriculum vitae (maximum two pages)
- A copy of graduate school transcripts (unofficial copies are acceptable)
- A letter of reference addressed to the 'Michael Bonine Memorial Travel and Research Award Committee'. For graduate students, this letter is typically from the student's masters or doctoral faculty advisor. Names and contact information of recommenders will be entered in Scholarship Universe, which will contact them to request letters.

Recipients are expected to electronically submit a brief written and photographic summary of the endeavors supported by this award no later than 3 months after completion of the activity supported by the award. Descriptions and photos will be used to publicize the award.

**\*This flyer features photographs taken of and by Kamilia Rahmouni in 2017. The featured photos are from Kamilia's research trip to France.**
