

November 5, 2018

To: Turfgrass Faculty

From: Kimberly Erusha, Ph.D.
Managing Director
USGA Green Section

Subject: 2019 USGA Agronomy Internship Program

The USGA is offering an excellent opportunity for students to participate in a paid internship program traveling with USGA agronomists. This internship opportunity is open to turfgrass management students to experience first-hand the USGA agronomic and resource management programs.

The selected students will travel with USGA agronomists on Course Consulting Service visits for one week between the months of May and August. This experience will broaden students' perspectives of the turfgrass industry and influence the directions they take with their educational endeavors and career paths.

Attached is a description of the program and the application procedure. ***Applications will be accepted through February 1, 2019.***

Be sure your university is represented in this unique internship. I appreciate your support in promoting this information with your students and other faculty.
