

DESIGN YOUR [INTERNSHIP]

Do you want to...

- make an impact on campus?
- build your professional skills and portfolio?
- work collaboratively in a multidisciplinary team?
- gain experience with tools like design thinking, lean start-up, systems thinking and more?

Interested in applying for Spring?

Questions? Contact Carly Croman
carolinecroman@email.arizona.edu

This is not your typical internship!

In this position you'll work alongside a diverse team to solve real problems sourced from campus & community partners.

What you need to know:

- We're looking for a team with many talents, if you're interested **don't count yourself out before we can meet you... just apply!**
- This is a paid internship opportunity
