

Agency: [Tucson Village Farm](#), an urban educational farm built by and for the children of Tucson

Title: Education Intern

Position Primary Function/Purpose: The candidate in this position will work for Tucson Village Farm, a seed-to-table agriculture literacy program that reconnects youth to a healthy food system, teaches them how to grow and prepare fresh food and empowers them to make healthy life choices.

Major Responsibilities & Duties:

- Deliver mini-lessons about the plants and animals on a farm, and the importance of each; teach basic health concepts as they relate to the food on the farm
- Greet teachers and parents as they arrive to field trip programs, engage them throughout the program, and oversee their departure
- Oversee student behavior and safety during their farm tour; encourage students to follow farm rules
- Portray a joyful and positive attitude to get children excited about hands-on learning
- Verbally report challenges and highlights of each school group to the field trip coordinator; brainstorm suggestions for program improvement, as needed

Minimum Qualification: Willingness to work outdoors in various types of weather; Enthusiasm to learn and teach new lessons; Love for the children on Tucson

Required Availability: Flexible; must commit to one 3-hour shift per week for one semester (shifts are from 9-12 AM on either Tuesday, Wednesday, or Thursday)

Compensation: Internship credit (arrange with your department) and free vegetables whenever the garden allows!
