## *Evolution of Food Plants*

Fall 2020

Dr. M. McMahon

mcmahonm@arizona.edu

*Hybrid* (3 credits): M/W 3:00 pm & 1 hour online

- 100,000,000 year view: *where did our crops come from?*
- 10,000 year view: *how did we domesticate our food plants?*
- 100 year view: *how did we select the ~150 major crops that feed the world?*
- 10 year view: *how are we preparing for changes?*
