

**SPRING 2021**

# **THE BIO/DIVERSITY PROJECT INTERNSHIP**

**Apply Today for our 100% Remote Internship!**

Help diversify the environmental sciences and develop the next generation of environmental science leaders, stewards, and scientists by working as an environmental science outreach educator in local K-12 schools.

**Applications accepted through December 18th**  
**<https://biodiversityproject.arizona.edu>**

Receive training, mentorship, and work experience while networking with leaders from Saguaro National Park and fostering gender and racial equity within the environmental fields.

**Weekly 10 hour commitment**  
**Earn 3-units of academic credit!**
