

Global Grasslands and Savannahs Dialogue Platform

Tuesday, January 23, 2024

Time: 14:00-15:30 CET / 13:00-14:30 UK / 10:00-11:30 Brasilia / 08:00-9:30 EST / 16:00-17:30 Nairobi

During this month's Global Grasslands and Savannah's Dialogue Platform meeting we will focus on **North American Grasslands**. A showcase of conservation challenges, opportunities, programmes and reports from Canada, Mexico and the United States will be presented, with time for an engaging discussion.
