

Global Grasslands and Savannas Dialogue Platform

Tuesday 27 May 2025

15:00 – 16:30 CET / 17:00 – 18:30 EAT / 09:00 – 10:30 ET

During this month's Global Grasslands and Savannas Dialogue Platform meeting, we will focus on the threats of invasive species and the sustainability trade-offs of planted and exotic pastures in grassland and savannah ecosystems
