Subject: Recruiting a Biological Science Technician for Feral Swine Damage Management in Illinois

Date: May 2, 2014

The Illinois Wildlife Services program is recruiting a Biological Science Technician to assist in conducting feral swine damage management throughout Illinois. The position is a full-time, term, GS 0404-4/5/6 not to exceed 13 months of employment. The duty station will be located at the State Office in Springfield, Illinois. Fringe benefits will be provided for this position. Eligible relocation costs for current Wildlife Services employees may be reimbursed. The incumbent must begin work by June, 2014.

This assignment involves conducting feral swine damage management throughout Illinois including working closely with cooperating entities while conducting technical assistance and operational damage management activities. Work shifts change daily and will include working afternoons, evenings, and nights. Effective communication skills with other WS employees, partnering agencies/entities, and the public are required, as is having demonstrated skills in conducting research on wildlife, technical writing, geographic information systems, and providing leadership to subordinates.

Candidates applying must meet the following criteria:

- Must be a U.S. Citizen, 18 years old or older; males born after 12/31/59 must show proof of registration with Selective Service System. (See website: <http://www.sss.gov>)
- Must hold a valid state driver's license at time of hiring.
- Must be able to legally possess and use firearms and obtain a State of Illinois FOID identification card within six months of employment.
- Must have a degree or completed course work in wildlife management or a related field, or have comparable experience.
- Must pass a drug test prior to employment and certify that they have never been convicted of a misdemeanor domestic violence crime (Lautenberg Amendment).

Interested individuals should send a resume, transcripts, DD-214 (Member 4 copy) and/or VA letter required for applicable Veteran preference, OF-306 Application (See website http://www.opm.gov/forms/pdf_fill/of0306.pdf), and contact information for three references.

Application materials should be submitted to:

Brad Wilson
Assistant District Supervisor, Illinois WS
USDA-APHIS-Wildlife Services
3430 Constitution Drive, Suite 121
Springfield, Illinois 62711
or
Bradley.E.Wilson@aphis.usda.gov

Application materials must be received in our office by close of business **May 16, 2014**.

Contact Brad Wilson at (217) 241-5739 for additional information.
