Fremont-Winema Supervisors Office:

The Fremont-Winema NF Supervisor's Office (SO) is located on Highway 395, approximately a quarter mile south of the city center of Lakeview. It is housed within the Lakeview Interagency Office (LIO), and operates as part of the "Service First" agreement between the Fremont-Winema National Forest and the Lakeview District, Bureau of Land Management. This agreement allows many resources to be shared between the two agencies.

Lakeview is known as the "Tallest Town in Oregon," standing at an elevation of 4,800 feet. It is located in the high-desert outback of south-central Oregon and serves as the county seat. Lakeview is home to approximately 4,100 citizens including the adjacent areas located outside the town limits (2,294 within town limits). The basic industries have been generated by agriculture and timber resources. The town is surrounded by lands managed by Federal agencies including the Forest Service, Bureau of Land Management, and Fish and Wildlife Service.

Lakeview is a very welcoming, full-service town. There are several locally owned restaurants, a grocery store, clothing, furniture and variety stores, banks and a credit union, beauty salons, motels, community swimming pool,

USDA-Forest Service is an equal opportunity employer and provider.

computer dealer and repair shop, gift shop, public library, public golf course, tennis courts, florists, radio station, and more. Lakeview is also serviced by a hospital and clinic complex, 19 churches of all major denominations, two elementary schools, a middle school, and a high school. The local newspaper is the Lake County Examiner, which is published weekly. The Herald and News from Klamath Falls is available by subscription as is the Oregonian from Portland.

Lakeview is located at the intersection of Highways 140 and 395, and travel time is approximately two hours from Klamath Falls, three hours from Bend, three and a half hours from Ashland and Medford, seven hours from Portland, eight hours from San Francisco, and four hours from Reno.

Recreation opportunities include wilderness backpacking, hiking, boating, camping, sailing, fishing, biking, snowmobiling, cross country skiing, horseback riding, hunting, and bird watching. Downhill skiing and sledding opportunities are available locally at the Warner Canyon Ski Area; at Mt. Bachelor Ski Park in Bend, approximately three hours away; Mt. Shasta Ski Area in Mt. Shasta, California, approximately three and a half hours away; and Mt. Ashland Ski Park in Ashland, approximately three and a half hours from Lakeview. Within two and a half hours, you can reach Crater Lake National Park or Lava Beds National Monument.

THE DUTY STATIONS:

Bly Ranger District and Community:

The Bly Ranger District office is located on Highway 140, approximately 53 miles east of Klamath Falls, Oregon and 45 miles west of Lakeview, Oregon on the east flank of the Cascade Mountain Range. The district encompasses approximately 504,000 acres of land, and employs 35 career employees and approximately 26 seasonal employees. Bunkhouse space is available at a minimal cost and government housing may be available on the Bly RD compound. Local private housing prices are moderate. The primary focus for the District is Ecosystem Restoration, Fire Management, and Recreational opportunities such as Gearhart Wilderness, hunting/fishing, and remote camping and hiking.

The small community of Bly, population 300, is home to a school (kindergarten through eighth grade), post office, two stores, a gas station, three churches, a public library. The town is served by the OC&E (Oregon California and Eastern) Rails to Trails recreation path that runs from Bly to Klamath Falls.

Chemult Ranger District and Community:

The Chemult Ranger District office is located on Highway 97, just north of the town of Chemult, on the east flank of the Cascade Mountain Range. The district encompasses approximately 360,000 acres of land. Chemult has warm, dry summers with temperatures often exceeding 90 degrees. Winters are generally cold and it's not unusual to see a snow pack of 10-12 feet. Topography on the District is gently rolling to flat with elevation ranging from 4860 feet at the district office to 5,630 feet at Miller Lake. The primary focus of the Chemult Ranger District is Forest management and recreation. Housing (bunkhouses) is available for seasonal employees.

Chemult is a community of around 300 people. Chemult businesses include a couple of small grocery stores, restaurants, an auto/truck shop, two service stations, a Pilot Travel Center truck stop, three motels, one church, a Laundromat, a Klamath County Library branch and the U.S. Post Office.

Chiloquin Ranger District and Community:

The Chiloquin Ranger District office is located on Highway 97 approximately two miles from the city of Chiloquin and 28 miles north of Klamath Falls, Oregon. The District encompasses approximately 460,000 acres of land and is located entirely within former reservation lands of the Klamath Tribes. Elevations on the District range from 4,200 to 7,500 feet. Average precipitation is approximately 57 inches per year. Klamath County is noted for approximately 290 days

of sunshine per year. The primary focus of the Chiloquin Ranger District is Forest and fire management and Tribal relations. Housing may be available for seasonal employees.

The City of Chiloquin, population of around 700, is located where the Williamson and Sprague Rivers converge in the heart of the Three Rivers Recreation area of Klamath County. The third river located within the Recreation area is the Wood River, which lies between Fort Klamath and Chiloquin. Chiloquin businesses include a Tribal Family Health and Dental Clinic and the Klamath Tribal Offices, a hardware store, two small grocery stores (both rent videos and one contains a liquor store), four restaurants, Crater Lake Travel Center, one motel, one garage, one laundromat, one beauty shops, two gift shops, a library, a post office, and a car wash. Six churches also serve the Chiloquin area.

Klamath Falls Ranger District and Community:

The Klamath Ranger District office is located just off north Highway 97 in Klamath Falls. Located on the eastern flank, the District encompasses approximately 188,685 acres in the Cascade Mountains, and is located entirely within the Northwest Forest Plan area. Topography on the District is mountainous to flat with elevations ranging from approximately 8,200 feet at Aspen Butte in the Mountain Lakes Wilderness to roughly 4,100 feet along Upper Klamath Lake. The high, arid climate produces warm summers and variable winters with temperatures ranging from an average high of 90 degrees in the summer to an average low of 30 degrees in the winter. The primary focus of the Klamath Falls Ranger District is recreation and fire management. The Klamath Falls Ranger District does not have housing or bunkhouse facilities available. Median Home Cost are around \$130,000; rentals range from \$700/month for a two-bedroom apartment/home to \$1000/month for a three- bedroom apartment/home.

Klamath Falls, the county seat, is located in the south central portion of Oregon at an elevation of 4,100 feet. The population of Klamath Falls (city and suburbs) is approximately 45,000. Klamath County is noted for being the "Sunshine City of Oregon" since it has an average of 290 days of sunshine per year. Community facilities include one full-service hospital with 176 beds, two urgent care centers, over 70 churches representing approximately 40 denominations, two performing theaters, several museums and art galleries, the YMCA, 13 elementary schools, three middle schools, three high schools, Klamath Community College, and Oregon Institute of Technology, the Pacific Northwest's only public polytechnic institute. Several large department stores such as Wal-Mart Supercenter, Fred Meyer, and Home Depot are located in Klamath Falls. Grocery stores are plentiful. Klamath Falls is also home to Kingsley Air National Guard, three community indoor and one outdoor pool. There are a variety of golf courses; one private 18-hole, three public 18-hole, and two nine-hole golf courses.

Lakeview Ranger District and Community:

The Lakeview Ranger District office is located on Highway 395 approximately two miles north of the Lakeview's City Center. The District encompasses approximately 460,000 acres of land, and is located on the interface between the Great Basin high desert and forested land. Elevations on the District range from 4,130 to 8,446 feet. The primary focus of the Lakeview Ranger District is Forest management and recreation. The Lakeview Ranger District does not have housing or bunkhouse facilities available.

Lakeview is known as the "Tallest Town in Oregon," standing at an elevation of 4,800 feet. It is located in the high-desert outback of south-central Oregon and serves as the county seat. Lakeview is home to approximately 4,100 citizens including the adjacent areas located outside the town limits (2,294 within town limits). The basic industries have been generated by agriculture and timber resources. The town is surrounded by lands managed by Federal agencies including the Forest Service, Bureau of Land Management, and Fish and Wildlife Service. Lakeview is a very welcoming, full-service town. There are several locally owned restaurants, a grocery store, clothing, furniture and variety stores, banks and a credit union, beauty salons, motels, community swimming pool, computer dealer and repair shop, gift shop, public library, public golf course, tennis courts, florists, radio station, and more. Lakeview is also serviced by a hospital and clinic complex, 19 churches of all major denominations, two elementary schools, a middle school, and a high school.

Paisley Ranger District and Community:

The Paisley Ranger District office is located along Highway 31 in southeastern Oregon. The District encompasses approximately 330,000 acres of land, and employs 25 year-round employees and approximately 15 seasonal employees. The primary focus of the District is recreation and fire management. Paisley has warm, dry summers with temperatures often exceeding 85 degrees Fahrenheit. Winters are generally cold, and a snow pack one to three feet deep may accumulate and persist throughout winter. Annual precipitation averages 15-20 inches. Private housing in Paisley is limited, however, government housing is available at a housing compound located within a half mile of town. The primary focus of the Paisley Ranger District is Forest management and recreation. Limited bunkhouse facilities are available for a minimal charge.

Paisley is located in the south central portion of Oregon, approximately 45 miles north of Lakeview and 130 miles south of Bend, at an elevation of 4,300 feet. Paisley is a small community and claims it is made up of “249 friendly folks and one old grouch.” Paisley is also home to the Annual Mosquito Festival. Community services consist of three churches, a community wellness center, a post office, public library, a community center, and one school teaching grades kindergarten through 12th grade. Several small businesses in the community include two small grocery stores, the Summer Lake Hot Springs, a feed store which includes an ice cream parlor, a greenhouse, and a motel.

Silver Lake Ranger District and Community:

The Silver Lake Ranger District office is located in south central Oregon in the north part of Lake County. The District includes about 500,000 acres of intermingled public and private lands, and employs 20-25 permanent employees and 10-15 temporary employees. Silver Lake has warm, dry summers with day-time temperatures generally in the 80-90's, dropping to the 40-50 degree range at night. Government housing is contingent upon availability. Real estate is available, however, houses to rent or buy are limited in number. The primary focus of the Silver Lake Ranger District is vegetation and habitat restoration, including stream and riparian restoration, use of prescribed fire, and livestock management programs. Limited bunkhouse facilities are available for a minimal charge.

Silver Lake is a small community of 250 residents, whose economy is primarily based on agriculture and outdoor-based recreation. Community services in Silver Lake and nearby Christmas Valley (18 miles away) include several churches, a community wellness center, a small medical clinic, two post offices, two public libraries, and a community center. A modern school, educating grades kindergarten through 12, serves the communities of Fort Rock, Christmas Valley, and Silver Lake. Small businesses in the two communities include two grocery stores, two gas stations, several restaurants, a Laundromat, an auto repair business, a golf course, several motels, a feed and farm supply store, a plant nursery, and several gift shops.
