Stephen\_Grater@nps.gov**

**Do you want to be a wildland firefighter?**

Check out this video to learn what's involved:

<http://bit.ly/TheHeartOfAFirefighter>

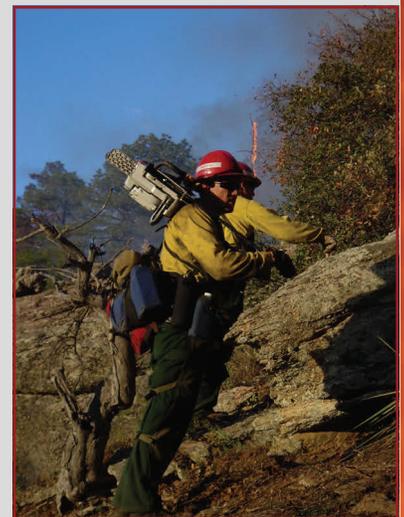

Saguaro National Park and the Coronado National Forest Santa Catalina Ranger District will be offering the basic S-130/S-190 class. If you have a desire to do this type of work and are applying to wildland fire jobs around the state or country this is the training you will need.

**No Tuition**

**No Experience Needed**

We are accepting entry level students with no previous experience. You do not need to be affiliated with any organization and there is no fee to attend. You must be a United States citizen and at least 18 years of age.

You will need to bring sturdy hiking boots for the field exercise part of the training. If you are not provided wildland fire gear by a host agency there will be some available for you to borrow during class.
