Wickenburg, Arizona

### Agenda-at-a-Glance

Wednesday, January 22

5:30 pm	Reception	Sonoran Room
7:00 pm	AZSRM Membership Meeting	Sonoran Room

Thursday, January 23

7:00 am	Breakfast	Bar Patio
8:00 am	<b>Drought Management in Arizona: Assembling your Tools</b>	Sonoran Room

*According to the Arizona Department of Water Resources, the Southwest has experienced significant drought conditions over the last decade and a half. Various agencies and organizations have developed a host of tools and reporting methodologies for monitoring water levels and drought conditions. This session will introduce you to some of those tools.*

12:00 pm	Lunch	Sonoran Patio
1:00 pm	<b>Rangeland Conservation Funding Opportunities</b>	Sonoran Room

*Ranchers face a myriad of issues when it comes to managing their ranches; from drought, wildfire, environmental concerns, public access, etc. all while trying to sustain an economically viable operation. This session is to help identify sources that ranchers can go to for financial assistance. We'll cover programs and sources that can help: fund ranch improvements, provide volunteer assistance, plan landscape scale projects and funding for emergency assistance.*

5:30 pm	Reception, Auction and Banquet	Yucca Flats
