

Tierra Seca Criteria Document - SRM Conference

In order to create a fair opportunity for all members of Tierra Seca, the officers have established a set of criteria that must be met if one wishes to attend the 2021 SRM Conference. Tierra Seca is responsible for fundraising the money needed to pay for registration costs associated with the conference. Here are the criteria that should be met in order to have your expenses associated with the SRM conference paid for by the club:

1. In order to have your SRM registration covered by the club, participation in a competitive event is required (URME, Plant ID, Range Cup, Extemporaneous Speaking).
2. Anyone attending the SRM conference must pay \$60 (full year Tierra Seca dues).
3. Attend the remaining bi-weekly meetings. If this is not possible, look at the meeting minutes and ask the officers any questions regarding the meetings and fundraising opportunities.
4. Confirm with the officers that you will be attending the conference as soon as you know you will be attending. Provide registration info well before deadlines.
5. Members participating in an event must attend all of the Plant ID and/or URME meetings (or regular practice sessions with a group if competing in the Range Cup or Extemporaneous Speaking)- if they will be missing a meeting they must let the coach know in advance. One or more unexcused absences may jeopardize your standing as a team member. Three or more total absences (excused or unexcused) may have the same effect. If your schedule prohibits you from attending the regularly scheduled study sessions you must make every attempt to keep up with the material.
6. Involvement actions – Facilitate or promote the club. This can involve helping with outreach, attending volunteer events, club development, and/or fundraising. Reach out to a Officer if you have any questions. The following list is to be filled in over the course of the Fall semester.
 1. _____
 2. _____
 3. _____

If you are unable to meet these criteria, you will be held responsible for paying for the costs of the conference. These expenses will not be paid for by Tierra Seca.
