

COLLABORATIVE CONSERVATION

Join us for a Panel Discussion and
Book Signing with Stephen E. Strom

November 4, 10 a.m.-noon
Pima County Historic Courthouse
Copper Room • 115 N. Church Ave.

Stephen Strom's latest book,
Forging a Sustainable Southwest, looks at how
diverse groups of citizens can collaborate to balance
economic, ecological and cultural concerns to
develop a vision for future land use.

PANELISTS:

Karen Simms, Division Manager,
Pima County Conservation Lands and Resources
Department

Julia Fonseca, retired,
Pima County Office of Sustainability and Conservation

Stephen Strom,
author of nearly a dozen books featuring his
landscape photography, poems and essays on cultural
and environmental issues

MODERATOR:

Dr. Larry Fisher, adjunct professor at the
University of Arizona's School of Natural Resources
and the Environment
