

Riparian Restoration Practitioner Workshop: Be the Beaver

WMG in partnership with U.S. Fish and Wildlife Service, AZ Game and Fish Department, and collaborating landowners, invites restoration practitioners to learn and share expertise through a facilitated hands-on, activity-based workshop.

These free, 1-day workshops are designed for both emerging and experienced restoration practitioners from agencies and organizations particularly BIPOC individuals and those from historically underserved communities who work in or near riparian systems.

For more information and to register for one or both please use the QR codes below.

Babocomari Creek
Thursday, Feb 13th
