

Seeds of Success

Join the *Seeds of Success Seminar* — a grassroots onboarding experience designed to help new staff thrive within the Division of Agriculture, Life and Veterinary Sciences and Cooperative Extension (ALVSCE). Learn where you fit in, connect with resources, explore professional development, and discover how to get involved. Build your success and community from day one!

Topics

Intro to ALVSCE | August 6th 10a-12p | ENR2, S210

Understanding Land Grant History, Our Mission, and the ALVSCE structure.

Finance Overview | September 10th 9a - 12:30p | Campus Ag Center

In this section we will discuss ALVSCE finances and how we are funded. Includes a Campus Ag tour.

Career Development & Life Resources | October 14th 1:00p - 3:00p | ENR2, S215

We will discuss Career Development, Benefits, and what is shared governance and why it matters. Social hour at Cork and Craft to follow.

Please RSVP using the link below:
