

# UXS WORKSHOP

SIPI, SEPTEMBER 10-12, 2024

We will meet to share our collective knowledge and expertise in ground, water, and airborne Uncrewed Systems (UxS) operations, applications, and innovations. This workshop is completely **FREE** to register and attend.

## OPPORTUNITIES INCLUDE :

- ✓ Engage with professionals and students in the emerging UxS field
- ✓ Present and explore exciting new research
- ✓ Watch drone demos and flight planning
- ✓ Learn about career opportunities with USGS, NASA, NOAA and more

**REGISTER NOW**
