

# **Fertilizer & Pesticide Applications Workshop: Math Made Easy and Equipment Calibration**

**Wednesday, April 26, 2017**

**9:00 am to 12 pm**

**University of Arizona Maricopa County Cooperative Extension**

**4341 E. Broadway Road, Phoenix, AZ 85040**

**3 hours CEU's granted for AZ Dept of AG and DPM(OPM)**

Protect the environment

Prevent non-target misapplications

Make effective applications

Don't waste valuable chemistries

- Refresh or learn to accurately apply fertilizers or pesticides
- Understand and calculate for accurate applications
  - Determine the size of the area to treat, how much chemical to buy and mix, how much water fills the tank
  - Know your equipment – nozzles, pressures, speeds
- Hands-on spraying with boom, hand-gun, backpack pump sprayers
- Hands-on spreading granules with centrifugal spreader

Registration fee of \$10 per person may be paid only by cash or check made to the University of Arizona and sent with this completed form to: Calibration Workshop, 4341 E. Broadway Rd., Phoenix, AZ 85040. Please remit payment before April 25, 2017
